4th Conference on the Neurobiology of Mental Health

Scientific conference organized within the framework of the celebration of the 12 years of activity of the NCCR-Synapsy

Program

Wednesday June 8th, 2022

Biomarkers of Early Psychosis

Chair: Julio Licinio, SUNY,
Anthony Grace, University of Pittsburgh,
Philippe Conus, UNIL – CHUV,
Patric Hagmann, UNIL – CHUV,
Kim Do, UNIL – CHUV,
Joe Coyle, Harvard University,
Takao Hensch, Harvard University.

22q11 Deletion Syndrome

Chair: Denis Jabaudon, UNIGE,
Peter Uhlhaas, University of Glasgow,
Pico Caroni, FMI,
Alan Carleton, UNIGE,
Stephan Eliez, UNIGE.

Developmental Stress

Chair: Christian Lüscher, EPFL,
Kafui Dzirasa, Duke University,
Johannes Graeff, EPFL,
Dan Schechter, UNIL – CHUV,
Carmen Sandi, EPFL,
Christian Lüscher, UNIGE,
Bitá Moghadam, Oregon Health & Science University,
Elisabeth Binder, Max Planck Institute.

Thursday June 9th, 2022

Autism

Chair: Peter Scheiffele, University of Basel,
Michael Lombardo, Italian Institute of Technology,
Claudia Bagni, UNIL,
Camilla Bellone, UNIGE,
Marie Schaer, UNIGE,
Takao Hensch, Harvard University,
Peter Scheiffele, University of Basel,
Fabrizio Bolognani, VectivBio.

Mood Disorders

Chair: Elizabeth Binder, Max Planck Institute,
Wade Berrettini, University of Pennsylvania,
Helen Mayberg, Mount Sinai Medical School,
Pierre Magistretti, UNIL – CHUV,
Camille Pigué, UNIGE,
Pierre Marquet, Uni Laval.
